

Ladies and Gentlemen:

There are two important meetings coming up in Albuquerque:

1) UNM / CNM / Sunport Transit Study Meeting

Loma Linda Community Center

1700 Yale SE

Monday, October 22, 6-8 PM

2) Rail Yards Master Plan Process Meeting

Barelas Community Center

801 Barelas SW (just East of the Zoo)

Thursday, October 25, 6-8 PM

Please try to attend and either speak out or leave a comment in support of Rail transit. Busses are necessary, but not enough. Ask every other major city in the North American West.

Thanks to your own little Rails Inc, the City Council has issued a public proclamation in support of Amtrak's Southwest Chief, citing its safety, fuel economy and importance to commuting and tourism.

If you're interested in joining another Rail group besides us, we strongly recommend the Rail Users Network, an honest and independent national passenger Rail advocacy group. Here's their information:
